

Universal 55 Gallon Bin Spill Kit – Premium Fabric

Product Benefits

- For spills of **oil & water based liquids**.
 - Complies fully with **BS 7959 and ISO 9001:2008** standards.
 - **Fully mobile spill kit** for efficient and effective clean up.
 - Kit contains **absorbents** for use on large leaks and spills.
-
- **Item Code : SC-142-105**

The **Universal 55 Gallon** spill kit is ideal for dealing with large sized spills of oil & water based liquids such as including solvents, coolants and mild chemicals.

The kit consists of cost effective **absorbents** that are manufactured from high quality melt blown polypropylene and It is constructed using a strong tubular knitted outer fabric sleeve allows for durability, expansion and improved speed of absorption. Filled with a super absorbent polymer that retains all liquids absorbed. Ideal for all workplace spills and leaks.

The spill kit is supplied as a full kit in a bin that allows it to be positioned wherever required .

Spill Kit Content
