

DATA SHEET

PRODUCT CODE : PR/FT-012

PRODUCT:

PROstic Filament Tape has a high tensile strength with clear polyester backing reinforced with fiberglass filaments which provides excellent abrasion and moisture resistance. The adhesive is designed to provide very good adhesion and also provides an excellent performance with long term holding power for a variety of metal/plastic working applications

FEATURES:

- High shear strength.
- Abrasion and moisture resistant.
- Printable.
- Good adhesion.
- Easy to dispense
- Good oily metal adhesion.
- High tensile strength.
- Good holding power.

PROPERTIES:

1. Colour	:	Cream
2. Tensile Strength	:	55kg/25mm
3. Adhesion to Steel	:	1.7 gms /25 mm
4. Thickness	:	163 microns
5. Elongation	:	130 percent
6. Temperature	:	20 +-5°C
7. Humidity	:	60 +-10%RH
8. Shelf Life	:	24 months

STORAGE CONDITIONS:

Store in a clean, dry area free of moisture. Temperature of 4-26°C and 40-50% relative humidity are recommended.
