

Spilkleen Clay Granular Absorbent 20 Liters

Product Benefits

- Non-flammable
- Heavyweight clay based granule that **doesn't 'mud'**
- Provide efficient **cleanup of oil, fuel and water based liquids**
- **Remains granular** even when **saturated**
- Absorbs up to **24 liters per bag**
- 20 liter bag
- **Weight (kg): 14**
- **Item Code : SK-03-004**

Spilkleen Granules are a **heavyweight clay based granule** that doesn't 'mud' upon contact with liquids and are ideal for use outside and on uneven surfaces.

They provide **efficient clean-up of oil, fuel and water based liquids** while remaining granular even when saturated. After use they will leave a clean and residue free surface and a **by-product that is environmentally acceptable** and fulfils government guidelines on recycling.
