

TECHNICAL DATA SHEET

Oil & Fuel Absorbent Spill Kit 120 Liter Wheeled Bin

Product Benefits

The Oil & Fuel 120 liter wheeled bin economy spill kit is ideal for dealing with intermediate sized spills of oil based liquids such as fuels, lubricants and other hydrocarbon based products. Our oil absorbents are hydrophobic, meaning that they can be used for the selective recovery of oil from water.

The kit consists of cost-effective absorbents that are manufactured from Spounbond Fabric. Ideal for all workplace spills and leaks.

The spill kit is supplied as a full kit in a wheeled bin that allows it to be positioned wherever required.
